

## Joint Actions on Climate Change

### Bicycle tour: Copenhagen - Aalborg

Climate Change Tour d'Aalborg gives you the opportunity to join a unique, fun and inspiring tour from Copenhagen to Aalborg. The tour will be based on bicycling. However, other climate friendly transport means are welcome. The Aerorider Company has offered three or four Aeroriders for the tour. The Aerorider is a hybrid between an electric car and a bicycle. Registration is not yet possible.
